

Fourth of July 2010 in Eagle Point

The Little Butte Creek Watershed Council had its booth on Main Street again this year and spoke to lots of folks about watershed activities. This year, riparian plants, tee shirts, and maps were sold and membership information passed out. Membership forms are available at the Council office (Main Street Eagle Point in the Old Fire Hall next to Chase Bank) and all are welcome at the monthly meeting (fourth Wednesday, 5:00 P.M. at the Eagle Point Library).
